

Dear Potential ARFTG Sponsor,

Thank you for your interest in sponsoring an upcoming ARFTG event. ARFTG holds two conferences a year: a spring conference held in conjunction with the International Microwave Symposium and a late-fall conference, which is stand-alone. By sponsoring ARFTG, you support these events, further ARFTG endeavors, such as student fellowships and our student sponsorship initiative, and visibly demonstrate your company's commitment to the RF measurement community. Information on the conferences can be found at the ARFTG web site: <http://www.arftg.org/>.

We have three levels of sponsorship per conference: Platinum, Gold, and Silver. As a benefit to ARFTG's repeat sponsors, we have two payment options. You can pay for only the upcoming ARFTG conference sponsorship or for a combined sponsorship of the next two ARFTG conferences at a discount.

Level	Single ARFTG Only	Two ARFTG
Platinum	\$4000	\$7200
Gold	\$2000	\$3600
Silver	\$1000	\$1800

As a sponsor of the conference, your company's logo, with a link to your company's home page, will be on the banner of the ARFTG web site. A list of sponsors is also included in conference materials. Additionally, sponsors are acknowledged with posters around the conference. While all sponsors share these acknowledgements, the higher level receive greater prominence and visibility on the above announcements.

Please let me know if you would like to sponsor either or both of the upcoming ARFTG conferences and feel free to ask me any questions you may have. Donations can be made by choosing the "Sponsor An Upcoming Conference" option under the Upcoming Conferences menu on the ARFTG web page (<http://www.arftg.org/>). Please note that ARFTG is a qualifying, US charitable organization, and your sponsorship donation may be tax deductible. *In order to maximize the exposure time for our sponsors, we would like to have responses and payments finalized no later than six weeks prior to a conference.*

If in addition to or instead of a sponsorship, your company would like to exhibit at an upcoming ARFTG conference, please contact Joel Dunsmore (exhibits@arftg.org), our Exhibits Chair.

Thank you for your time and consideration.

Sincerely,

Joe Gering
ARFTG Sponsorship Chair
